

The Lie Doctrine: CREATION OF SUBJECTS — NOT SOVEREIGNS

INTRODUCTION

From the moment a child steps into a public school classroom, the transformation is already underway. The institution does not shape thinkers, sovereigns, or self-determined minds. It shapes **subjects** — compliant units trained to trust authority over intuition, obedience over discernment, and silence over self-ownership.

This is not an accident.

This is not a flaw.

This is not a system “needing reform.”

It is design.

Public schooling is the earliest and most effective deployment of **the Lie Doctrine** — the strategic use of deception to weaken a People before they are old enough to defend themselves. The purpose is simple: condition the child to doubt his own perception, and he will grow into an adult who never questions the machinery governing his life.

This document exposes the truth:

School does not educate the child.

School manufactures the subject.

And every subject is a sovereign who never learned he was one.

PUBLIC SCHOOL: THE WEAPONIZED FACTORY OF IGNORANCE

An Exposé in the Voice of a Living Man Who Has Seen the Machinery

You must understand this first, because everything else hinges on it: public school was never designed to educate you. It was engineered to condition you, weaken you, confuse you, and most importantly, to make you *manageable*. Public school is not a place of learning — it is a place of systematic mental taming. The institution itself was built as the first cage the American child ever steps into, long before any government agent pulls them over, long before any court tricks them into saying a NAME, long before any corporation slaps a number on their existence and calls it “identity.” Public school is where the assault begins.

They call it “education,” but what they deliver is obedience training. They do not teach children to think; they teach them to repeat. They do not teach children to ask questions; they punish them for asking. They do not teach children to stand as sovereign individuals; they mold them into compliant dependents who cannot imagine themselves outside the boxes they are placed into. By design, the system crushes curiosity because curiosity is the engine of a free mind — and a free mind cannot be governed, cannot be taxed into submission, cannot be corralled like cattle into a financial slaughterhouse disguised as adulthood.

The Lie Doctrine: CREATION OF SUBJECTS — NOT SOVEREIGNS

Look around any public school classroom. You won't find empowerment. You won't find critical thought. You won't find self-direction. You will find standardized testing, standardized behavior, standardized beliefs, standardized dreams — an entire generation forced into the same mold so they become predictable, programmable, and pliable. Children are not taught who they are; they are told what they must be. Their natural brilliance is sidelined, their individuality stripped, their intuition mocked, their inner fire dimmed to a flicker so small that many never recover it again. That is the real crime of public school — the quiet, daily assassination of the human spirit.

Public school teaches the young to fear authority rather than question it. They learn quickly that the one who speaks truth is labeled a “problem.” The one who challenges nonsense is sent to the office. The one who dares to think differently is punished until they fold. This is not accidental. This is intentional mental conditioning so later in life, when a corporate officer wearing a badge demands compliance with unlawful orders, the adult automatically submits — because the child was trained to. The mental chains forged in childhood are far stronger than any prison bars.

Let's be brutally honest: public school does not prepare anyone for life. It prepares them to accept life as dictated by someone else. It prepares them to be workers, not creators; followers, not leaders; consumers, not sovereigns. They are taught what to think, not how to think. Taught to memorize false narratives, not to discern truth. Taught to trust institutions, not to trust themselves. And by the time a young mind leaves that system, the damage has already taken root — self-doubt, dependency, intellectual timidity, and a deeply embedded belief that “authority knows best,” even when authority is blatantly corrupt.

Most tragically, public school robs children of the greatest treasure they possess: their self-belief. Every natural gift — imagination, intuition, creativity, passion, inner knowing — is systematically dismissed as childish or impractical. They teach children to distrust their own minds, because a person who trusts himself cannot be manipulated. A person who knows his worth cannot be enslaved. A person who recognizes the fiction of corporate government will never consent to the fraud. And that is why the system targets the young: break the mind early, and the body will follow orders for life.

If public school truly educated children, the entire structure of control in this country would collapse overnight. Children would grow up understanding the difference between legal and Lawful. They would know that their Rights are unalienable, not permissions handed out by corporate policy enforcement agents. They would know that they are the Beneficiary of the TRUST, not its surety. They would know that government is their servant, not their master. But the system cannot afford an educated People — it can only survive by manufacturing obedient ones.

This exposé is not an attack on teachers — many of them are victims of the same deception. This is an indictment of the structure itself, a structure built with one purpose: to keep you from realizing you were born free. To keep you from discovering your own sovereignty. To keep you from ever questioning why a government corporation needs its children docile, compliant, and confused.

The Lie Doctrine: CREATION OF SUBJECTS — NOT SOVEREIGNS

The harm done to young minds is not accidental, incidental, or unfortunate — it is intentional. Public school is the first chapter in the long story of how a sovereign population was turned into a nation of controlled subjects. And the moment you see it for what it is, you reclaim what they tried to steal: your ability to think, to discern, to choose, and most importantly — to be free.

THE SANTA CLAUS & EASTER BUNNY DECEPTION: THE FIRST STATE-SPONSORED FRAUD IMPOSED ON THE AMERICAN CHILD

You want to understand how deep the manipulation goes? Look at where it begins. Before corporate government ever hands a child a registration form, before a school system trains them to obey bells and authority without question, before a police officer ever demands compliance — **the child is first conditioned to accept lies from the very people they trust most.** And it is sold as “fun,” “tradition,” “childhood.” What a beautifully packaged weapon.

Santa Claus.

The Easter Bunny.

Tooth fairies.

All harmless fun, right? Wrong.

They are the earliest psychological operations deployed against the young mind to normalize **believing in things that are not true** simply because “everyone else believes it,” or because “authority says so.” They are not games — they are conditioning rituals. They install the first crack in the child’s natural internal truth-detector.

A child enters the world with perfect intuition. They know when something feels real because their mind has not yet been corrupted by cultural illusions. But what happens when the people they trust — mother, father, grandparents — intentionally deceive them for years? The child learns the most dangerous lesson imaginable: **“My natural sense of truth must be wrong. The adults know better.”**

That is the first betrayal.

And from that betrayal grows the second, the third, and eventually the child accepts deception as a normal part of life.

Santa and the Easter Bunny are not innocent myths — they are deliberate *contradictions forced upon the developing mind.* We tell them:

- Always tell the truth...
—but we lie straight to their face.

The Lie Doctrine: CREATION OF SUBJECTS — NOT SOVEREIGNS

- Don't let strangers manipulate you...
—but we celebrate a fictitious stranger breaking into the house.
- Don't accept gifts from unknown people...
—but we reward belief in a character who bypasses every boundary of safety and privacy.
- Don't worship false idols...
—but we demand excitement and loyalty to an invented figure who supposedly sees all, judges all, and rewards obedience.

You want to talk about programming? This is programming at the ground floor.

These rituals teach the child three poisonous doctrines:

1. Authority has the right to deceive you “for your own good.”

That is the core belief required for governments, banks, courts, and corporate systems to control adults. If the child learns early that “good people lie,” then later, when government lies, they feel the same emotional imprint:

“It must be for our benefit.”

2. Reality is whatever the authority says it is — even if it makes no sense.

A flying man delivering presents to billions in one night.
A rabbit laying eggs.
A fairy buying teeth.

Statements that defy logic become acceptable truths when repeated by trusted adults. That is how propaganda works. That is how legal fictions are swallowed whole. That is how entire populations accept absurdities like “You are the debtor,” “The government owns you,” or “Your Rights come from the state.”

3. You will be rewarded for believing lies — and punished for questioning them.

Children who challenge the myth are scolded.
Children who believe it are praised, rewarded, celebrated.

The mind learns early:
Compliance with fiction = safety.
Questioning = conflict.

The Lie Doctrine: CREATION OF SUBJECTS — NOT SOVEREIGNS

Is it any surprise that adults later submit to IRS fear tactics, police intimidation, court presumptions, and corporate overreach? They were trained to do so when they were five years old.

THE WORST DAMAGE: THEY BREAK A CHILD'S TRUST IN THEIR OWN PERCEPTION

This is the real harm — the long-term injury.

Once a child realizes Santa and the Easter Bunny were lies, something devastating happens inside them: **their internal compass is shattered.** The child learns that:

- *Truth is negotiable.*
- *Reality can be manipulated.*
- *The people who claim to love them can deceive them without consequence.*
- *Their own intuition cannot be trusted.*

From that moment on, the child becomes easier to control.
You weaken a population by weakening its children.

And what do adults say when the child finally discovers the truth?

“Oh, it’s just a tradition.”

“Oh, don’t take it so seriously.”

“Oh, it’s just for fun.”

But that’s the point:

They teach the child to ignore betrayal.

They disguise psychological harm as entertainment so the child grows up unable to recognize manipulation even when it's happening right in front of them.

This is not about holidays.

This is about the architecture of deception that follows a child into adulthood:

- They believe in Santa at four.
- They believe in “government authority” at six.
- They believe in “legal obligations” at sixteen.
- They believe in “corporate ownership of their labor” at twenty-five.
- And they believe they are powerless for the rest of their life.

The Lie Doctrine: CREATION OF SUBJECTS — NOT SOVEREIGNS

The chain begins with a story told “for their own good.”

AND HERE IS THE TRUTH THEY NEVER WANTED CHILDREN TO KNOW

A mind raised on truth grows into a sovereign adult.
A mind raised on lies grows into a compliant subject.

That is why the tradition persists.
Not because it brings joy — but because it creates confusion.

And confused minds are easy to rule.

THE LIE DOCTRINE: HOW HITLER’S MACHINE PERFECTED WHAT PUBLIC SCHOOL BEGAN

To understand the world we’re living in, you must understand the Doctrine of the Lie — the weaponization of falsehood as a tool of mass control. And no regime exposed this doctrine more nakedly than Hitler’s machinery in the 1930s and 40s. The terrifying part is this: they didn’t invent anything new. They simply amplified methods already being used on populations worldwide — including right here in America — and showed how effective the *machinery of deception* truly is when the People are conditioned not to question.

Hitler and his propaganda minister, Joseph Goebbels, openly operated under one foundational principle:

“If you tell a lie big enough and keep repeating it, the people will eventually come to believe it.”

THAT IS THE LIE DOCTRINE.

But here’s the part no one talks about:

This doctrine only works on a population whose minds were already trained to betray themselves. And where does that training begin? Not in adulthood. Not in the voting booth. Not in the workplace.

It begins in childhood, with Santa Claus, the Easter Bunny, the Tooth Fairy — and then graduates into public-school obedience conditioning, where the child learns the greatest lesson a tyrant needs them to learn:

“My intuition is wrong. Authority is right.”

Once a child internalizes that message, the Lie Doctrine can flourish unchecked.

The Lie Doctrine: CREATION OF SUBJECTS — NOT SOVEREIGNS

HITLER'S MACHINE DID NOT BEGIN WITH GUNS — IT BEGAN WITH STORIES

People imagine Hitler's rise as a military conquest. It wasn't. It was a psychological conquest.

His machinery — the Ministry of Public Enlightenment and Propaganda — functioned exactly like the modern school system and media apparatus do today: by controlling belief, not force. His power came not from the barrel of a gun, but from the shaping of the German mind into a predictable, obedient unit.

He used:

- repetition
- emotional manipulation
- fear
- childish myth-making
- the illusion of belonging
- false enemies
- false saviors
- and the destruction of individuality

Sound familiar?

It should — because it is the same structure imposed on American children starting in kindergarten.

Hitler merely demonstrated what happens when this model is taken to its logical extreme.

THE PARALLEL: PUBLIC SCHOOL AS THE FIRST PHASE OF THE PROPAGANDA MACHINE

The machinery of Hitler's Germany succeeded because the People had already been conditioned from childhood to believe whatever authority told them. Their foundational worldview had been forged through tiny, seemingly harmless lies in their formative years. Lies "for their own good." Lies presented by trusted adults. Lies wrapped in tradition and fantasy.

This psychological softening is critical, because it trains the child to:

- accept contradiction
- suppress doubt
- trust authority over intuition
- conform to the group
- ignore logical inconsistencies

The Lie Doctrine: CREATION OF SUBJECTS — NOT SOVEREIGNS

- fear questioning
- seek reward for obedience

Public school reinforces these pathways daily:

- Sit still.
- Speak only when spoken to.
- Memorize what we say.
- Never question the narrative.
- Obey the bell.
- Accept the grading system as judgment of your worth.
- Believe in systems, not yourself.
- Let the institution define your reality.

Once that becomes normal, the population is primed for the Lie Doctrine.

Because the Lie Doctrine doesn't rely on intelligence.
It relies on conditioning.

THE HITLER FORMULA: CONTROL INFORMATION → CONTROL EMOTION → CONTROL ACTION

Hitler's machinery followed a simple pattern — and every modern government still uses it today:

1. Create or amplify a lie.

Make it big. Make it emotional. Make it morally urgent.

2. Repeat it until it becomes “truth.”

Schools, news, entertainment, religion, and government all echo the same script.

3. Punish dissent.

Ridicule it. Shame it. Call it dangerous. Call it treason.

(We see this every time someone questions the IRS, the Federal Reserve, vaccines, foreign wars, welfare policy, or “legal” authority.)

4. Reward compliance.

The Lie Doctrine: CREATION OF SUBJECTS — NOT SOVEREIGNS

Good citizen. Good student. Good taxpayer. Good worker.
Just like a child earning presents from Santa.

5. Transfer power upward.

The People shrink.
The State expands.
Just as planned.

This is the machinery — a psychological conveyor belt turning sovereign individuals into predictable subjects.

THE MOST BRUTAL TRUTH: THE LIE DOCTRINE ONLY WORKS ON THOSE WHO WERE TRAINED TO ACCEPT IT

Hitler's regime did not create obedient minds.
It used obedient minds.

A population told the truth from childhood cannot be manipulated on a mass scale.
A mind taught to question cannot be enslaved.
A People raised to rely on intuition cannot be controlled through propaganda.

So the system does the damage early.

Give the child Santa.
Give the child the Easter Bunny.
Give the child make-believe "authority."
Give the child public school.
Break the bond between the child and their own perception.
Teach them to doubt themselves and revere institutions.

Then — and only then — can a Hitler rise.
Not because he is powerful, but because the People have been weakened.

The real machinery of tyranny is not the dictator.
The machinery is the conditioned mind of the citizen.

THE CONNECTION THEY PRAY YOU NEVER MAKE

Hitler's propaganda succeeded because the People were taught from childhood to trust lies from trusted faces.

The Lie Doctrine: CREATION OF SUBJECTS — NOT SOVEREIGNS

Likewise:

- Government operates on legal *fictions*.
- Banks operate on monetary *fictions*.
- Courts operate on jurisdictional *fictions*.
- Schools operate on historical *fictions*.
- Media operates on emotional *fictions*.

Every institution uses the Lie Doctrine.

Every institution depends on early childhood conditioning to make the population accept the impossible without protest.

And this is why you are doing what you're doing — exposing it, naming it, tearing it down to the studs. Because the truth is not complicated. It only feels complicated because people were trained to doubt their own ability to see clearly.

THE KING WHO COULDN'T DEFEAT ISRAEL — AND THE SOOTHSAYER WHO TOLD HIM WHY

King Balak wanted Israel destroyed. He saw their strength, their unity, their identity, and he feared them. But he couldn't defeat them militarily. He couldn't curse them spiritually. He couldn't break them externally.

So what happened?

His hired diviner, Balaam, finally told him the one truth every tyrant hates to hear:

*****“You cannot destroy a People protected by their God...***

unless you can make them destroy themselves.”**

When the Israelites stayed true to who they were, no army on Earth could conquer them.

But if you could corrupt them, deceive them, confuse them, lead them into believing something false, something seductive, something poisonous — they would fall by their own hand.

This was the turning point.

Not a sword.

Not a battle.

Not a curse.

The Lie Doctrine: CREATION OF SUBJECTS — NOT SOVEREIGNS

A strategy.
A deception.
A lie.

Balaam essentially told Balak:

*****“If you want to defeat them, do NOT fight them.***

***Make them betray their own identity.
Make them forget who they are.******

That was the machinery.
That was the doctrine.
That was the ancient blueprint for every psychological operation that followed in human history.

THE ORIGINAL LIE DOCTRINE: WHEN YOU CANNOT DESTROY A RIGHTEOUS PEOPLE, MAKE THEM CORRUPT THEMSELVES

This is the heart of the story, and it fits perfectly into the pattern you identified:

- ✓ When force fails — use deception.
- ✓ When truth protects a People — sell them a lie.
- ✓ When identity makes them strong — get them to abandon it willingly.
- ✓ When unity preserves them — seduce them with division.
- ✓ When their God defends them — lure them into acts that break their own protection.

Balaam advised Balak exactly what modern tyrants still practice:

“Send your women.
Send your idols.
Send your temptations.
Make them believe a lie that feels good...
and they will fall without a single arrow fired.”

The Lie Doctrine: CREATION OF SUBJECTS — NOT SOVEREIGNS

This was not a military strategy.

It was a psychological weapon, the same kind used by governments, schools, propaganda systems, media, and the banking cartels today:

- Corrupt the truth.
- Replace it with illusion.
- Condition the People to accept the illusion.
- Then let them destroy themselves — thinking it was their choice the entire time.

That is the Lie Doctrine.

Ancient. Persistent. Deadly. Effective.

THE CONNECTION: BALAAM'S TACTIC IS THE BLUEPRINT FOR MODERN CONTROL SYSTEMS

Look at the machinery:

1. Identify the People you cannot control.

Those with clarity.

Those with truth.

Those with identity.

Those with sovereignty.

2. Introduce a lie wrapped in pleasure, comfort, or social acceptance.

It must feel good.

It must seem harmless.

It must be something they “want” to believe.

3. Get them to internalize the lie as if it were their own idea.

Once they take ownership of the lie, they will defend it on behalf of their oppressor.

4. Separate them from their foundation — their God, their Rights, their autonomy, their identity.

A People cut off from truth is a People ripe for conquest.

The Lie Doctrine: CREATION OF SUBJECTS — NOT SOVEREIGNS

5. Let them collapse under the weight of their own corruption.

The tyrant never has to draw the sword.

This is EXACTLY what happened with:

- *Santa Claus*
- *the Easter Bunny*
- *public school indoctrination*
- *national myths*
- *fiat money*
- *the “legal” system*
- *political propaganda*
- *consumer culture*
- *and every other construct designed to replace truth with illusion.*

The method hasn't changed in 3,500 years because it doesn't need to.
It works.

THE DANGER OF THE LIE DOCTRINE: THE PEOPLE WHO BELIEVE THE LIE BECOME THEIR OWN DESTROYERS

Balaam told Balak:

“If you want them weakened, do not attack their bodies — attack their minds.”

The modern machinery of deception knew this too:

- Hitler used it openly.
- Banking cartels use it subtly.
- Governments use it bureaucratically.
- Schools use it systematically.
- Media uses it relentlessly.
- Courts use it procedurally.

The only way to defeat a sovereign People is to remove their sovereignty from inside their own belief system.

The Israelites had to be tricked into turning away from what made them invincible.

So do Americans today.

The Lie Doctrine: CREATION OF SUBJECTS — NOT SOVEREIGNS

The corporate system doesn't conquer by force.
It conquers by belief.

If you can sell the lie —
you don't need the war.

THE DESTRUCTION OF A MAN'S SPIRIT: WHEN HE FOLLOWS ONLY WHAT IS PUT IN FRONT OF HIM

A man is not destroyed by chains on his wrists; he is destroyed by chains on his mind. The quickest way to cripple him is not by taking away his freedom — it's by convincing him he never had any. That is what happens when a man is trained from childhood to follow only what is put in front of him. His spirit doesn't die in a moment. It erodes slowly, silently, piece by piece, until nothing remains but a hollow shell waiting for instruction.

Most men don't even realize it's happening. They call it “being realistic,” “being responsible,” or “going with the flow.” But what they are really doing is surrendering the one thing that makes them a man and not an automated unit: their inner authority. The moment a man stops questioning, stops discerning, stops trusting his own sense of truth, the collapse begins. His integrity isn't taken from him — he abandons it because someone else told him to.

When a man allows the world to feed him every thought, every belief, every definition, every direction, he ceases to be self-directed. He becomes a consumer of ideas rather than a producer of them. And once he is in that state, he is programmable. He can be led into anything — fear, outrage, compliance, distraction, dependency — because he never learned how to source reality from within himself. His mind becomes a dumping ground for whatever propaganda, policy, cultural trend, or mass-delusion is packaged well enough to slide past his weakened defenses.

A man without internal truth cannot have integrity. Integrity requires alignment with one's own principles. But if he no longer has his own principles — only borrowed ones — then what is left to align with? His “integrity” becomes loyalty to whatever system trained him, not loyalty to himself. That is how men become obedient workers, silent taxpayers, compliant defendants, and agreeable participants in their own exploitation. They don't choose slavery; they drift into it because their spirit has been starved of self-generated truth.

The Lie Doctrine: CREATION OF SUBJECTS — NOT SOVEREIGNS

The worst part is this:

A man who follows only what is put in front of him forgets he ever had the ability to choose. Choice requires awareness. Awareness requires curiosity. Curiosity requires a living spirit — the spark inside a man that insists on asking, “Why?” The system does everything possible to extinguish that spark early. Not with violence or chains, but with toys, distractions, false stories, trivial customs, hollow traditions, and endless noise. When a man no longer asks why, he accepts what. And once he accepts what, he accepts anything.

This is how integrity dies.

Not in a dramatic moment of weakness, but through a lifetime of small betrayals — each one justified as harmless, each one teaching him to override his own instincts “for the sake of getting along.” He learns to smile when he feels disgust. He learns to fear being different. He learns to hide his doubt. He learns to silence his own voice. And eventually, he forgets that voice exists.

A man who cannot hear himself cannot be true to himself.

A man who cannot be true to himself cannot have integrity.

A man without integrity cannot stand against deception.

And a man who cannot stand is easily controlled.

When a man follows only what is placed in front of him, his spirit shrinks. His sovereignty erodes. His sense of identity dissolves. He becomes reactive rather than intentional. He becomes shaped by circumstance instead of principle. He becomes a tool, not a force. He becomes a passenger in his own life, not the driver.

And here is the tragedy: most men will defend their own diminishment because the system conditioned them to associate integrity with “behaving,” rather than with “being.”

A man’s spirit dies when he trades authenticity for acceptance.

A man’s spirit dies when he accepts comfort over clarity.

A man’s spirit dies when he swallows lies simply because they are easier than truth.

But the death is not permanent unless the man agrees to stay buried.

Integrity is not something granted by the world. It is something a man must reclaim from within himself. The moment he stops following what is put in front of him and starts asking, “What do *I* know to be true?” — the machinery loses its grip. The spell breaks. The spirit ignites again.

A man who returns to his own truth becomes dangerous to systems built on lies.

Because a man with integrity cannot be bought.

The Lie Doctrine: CREATION OF SUBJECTS — NOT SOVEREIGNS

Cannot be redirected.
Cannot be softened.
Cannot be controlled.

His spirit is his own again — and that is the one thing the Lie Doctrine can never conquer.

HOW THE PMA & PRIVATE IRREVOCABLE TRUST RESTORE WHAT THE SYSTEM DESTROYED

A man who has been conditioned, broken, misled, and commercially trafficked through the government-corporate machine must reclaim more than his paperwork — he must reclaim himself. The system didn't simply attack his legal standing. It attacked his mind, his identity, his autonomy, his spirit. The PMA and the Irrevocable Trust were created for one purpose only: to repair the damage and re-establish the man above the machinery that tried to erase him.

These structures are not loopholes, not tricks, not evasions — they are the rightful restoration of what should have been his from Day-1 of existence. They are the shield and the sanctuary that protect him from further commercial harm, and they are the platform upon which he rebuilds the integrity stolen from him since childhood.

When a man enters *UNFORECLOSABLE*™ and subsequently the DAY-1 HOMEOWNER PMA, he steps out of the predator-prey relationship the system engineered. He stops being the exploited asset, the assumed debtor, the presumed subject. The PMA repositions him back into his natural condition: a PRIVATE Man, operating under PRIVATE association, exercising PRIVATE rights that no corporate entity can interfere with without committing trespass.

This structure corrects the very first wound inflicted on him — the moment the system substituted a PERSON for the man, a legal fiction for the living being, a corporate liability in place of a living, breathing, thinking soul. The PMA removes that substitution. It restores the boundary. It re-erects the line between what belongs to the corporate STATE and what belongs to the living Man. It is the undoing of the LIE that the man and the PERSON are the same.

THE PROPERTY RESERVE PRIVATE IRREVOCABLE TRUST: THE RECLAMATION OF EVERYTHING TAKEN**

Where the PMA restores the man's standing, the Private Irrevocable Trust restores his estate — the very thing the system siphoned off through deception, presumption, and commercial fraud.

The Trust resolves the core injury the system inflicted:

The Lie Doctrine: CREATION OF SUBJECTS — NOT SOVEREIGNS

They taught the man to be surety for property he already owned.

That is the entire mechanism of enslavement.

You cannot enslave a sovereign Man.

You can only enslave a man who was tricked into being liable for what was already his.

The Trust removes that liability permanently.

Once property enters the Trust:

- it is not foreclosable
- it is not attachable
- it is not reachable by corporate courts
- it is not the jurisdiction of statutory policy
- it is not the target of administrative predation

The Trust reclaims what the Lie Doctrine stole — the man’s rightful autonomy over his own Property, free from interference, free from unseen claims, free from the perpetual threat of seizure by entities that had no claim to begin with.

When a man transfers property into a Private Irrevocable Trust, he is not hiding assets.
He is restoring truth:

“This was always mine.
You only convinced me it wasn’t.”

That psychological correction — that spiritual repair — is more powerful than any statute, code, or administrative directive ever written.

THE SYSTEM DESTROYS IDENTITY — THE PMA RETURNS IT

The system spent decades dismantling the man’s inner compass:

- public school broke his self-trust
- false traditions normalized deception
- media shaped his worldview
- government claimed ownership over his choices
- corporate courts claimed jurisdiction over his life
- the banking system claimed dominion over his labor

The PMA reverses that entire structure.

The Lie Doctrine: CREATION OF SUBJECTS — NOT SOVEREIGNS

The PMA says:

“You are a PRIVATE Man.
Your Rights are PRIVATE.
Your agreements are PRIVATE.
Your associations are PRIVATE.
Your life is not the property of the STATE.”

For the first time, the man stops existing as an involuntary participant in a system he never consented to. He becomes an intentional being again — governed by his will, not by their machinery.

This re-ignites integrity, because integrity can only exist where the man is operating from his own truth, not the scripts handed to him by institutions that never had his wellbeing in mind.

THE TRUST RESTORES SECURITY — THE PMA RESTORES SOVEREIGNTY

When the mind is attacked, sovereignty is lost.
When the estate is attacked, security is lost.
When both are attacked, the man collapses into dependency and fear.

The PMA restores sovereignty.
The Trust restores security.
Together, they rebuild the man from the inside out.

And here is the deeper truth:

A man cannot walk in integrity while he is financially vulnerable, legally exposed, and spiritually suppressed.

The PMA and the Trust provide the foundation upon which integrity becomes possible again.

Once the man is no longer threatened by:

- foreclosure
- levy
- administrative seizure
- liens
- false jurisdiction
- unauthorized claims
- corporate enforcement actions

...he stops living in fear.

The Lie Doctrine: CREATION OF SUBJECTS — NOT SOVEREIGNS

A man living in fear cannot be a man of integrity.

A man living in sovereignty must be a man of integrity — because sovereignty and integrity are the same energy expressed differently.

THE PMA & TRUST REVERSE THE DAMAGE BECAUSE THEY RESTORE THE TRUTH

Every wound the system inflicted came through deception:

- lies about identity
- lies about obligation
- lies about money
- lies about jurisdiction
- lies about authority
- lies about property
- lies about rights

You do not heal a man by giving him new lies to believe.

You heal him by giving him truth strong enough to uproot the deception at its root.

The PMA and the Private Irrevocable Trust do exactly that.

They return the man to the truth of who he is:

Not a ward.

Not a debtor.

Not a PERSON.

Not a corporate fiction.

Not state property.

Not an administrative case number.

He is a PRIVATE Man with a PRIVATE estate operating in PRIVATE capacity under PRIVATE rights.

When a man stands in that truth, the damage begins to reverse automatically:

- his confidence returns
- his discernment returns
- his autonomy returns
- his clarity returns
- his integrity returns

The Lie Doctrine: CREATION OF SUBJECTS — NOT SOVEREIGNS

- his spirit returns

Because the man is no longer fighting the system —
he has stepped outside of it.

And once he is outside of their machinery, no lie can touch him again.

WHO PROVIDES THIS PLATFORM — AND WHO I AM WITHIN IT

Not the guru.
Not the master.
Not the man to be worshiped.
Only the man who refused to stay ignorant.

People always want to turn the messenger into something larger than life. That is what the damaged mind does when it is not yet healed — it looks for heroes, saviors, gurus, something to replace the truth it lost. I reject that. I refuse it. I will not allow anyone to become a sycophant or build a pedestal under my feet. I am not interested in followers.

I AM INTERESTED IN MEN AND WOMEN WHO WANT THE TRUTH BAD ENOUGH TO WORK FOR IT.

Because that is exactly how I came to know what I know.

Not by worshiping someone.
Not by being spoon-fed answers.
Not by bowing to a teacher.

But by putting my own head down, opening the books, reading the law, studying the mechanics, digging deeper when the meaning wasn't clear, and refusing to stop until clarity arrived.

But let me make one thing absolutely clear:

I DID NOT GET HERE ALONE.

This platform does not exist because of my mind alone.
This information does not stand because of my effort alone.
And I would never insult the truth by pretending otherwise.

The Lie Doctrine: CREATION OF SUBJECTS — NOT SOVEREIGNS

There were men and women — many of them unknown, unseen, uncredited — who discovered pieces of the puzzle long before I did. They documented what they found. They shared what they could. They left behind trails of evidence, insights, legal proofs, congressional records, accounting mechanics, historical facts. Their discoveries supported everything this platform teaches today. My contribution was not invention — it was integration, verification, correction, and refinement.

I took the raw ore others dug out of the mountain and smelted it into steel.

And now the steel builds the DAY-1 HOMEOWNER PMA and the **Property Reserve Private Irrevocable Trust (PRPIT)** that protect People from being devoured by a system that profits from their ignorance.

I AM *Lucez PaxaDeum*® — WHY I DO THIS

I am a self-determinate mind — not because someone gave me permission to think, but because no one could stop me.

Self-reliance didn't fall into my lap.

I forged it.

It began when I was a 17-year-old kid, already unwilling to accept other people's limitations as my destiny. I enrolled in summer school so I could eliminate almost every class my senior year.

The counselor tried to stop me with his WARNING:
"What if you don't pass that one class?"

I passed it.

I walked the stage.

And I shook my diploma in the air as if to say:

"Your fear is not my future."

Did he remember that conversation?

I don't know, and truth be told — ***I don't care.***

But I never forgot it — because it was a moment when I learned exactly who I was:

A man who does not back down because someone else projects doubt.

Ten years later, same story. New arena.

The Lie Doctrine: CREATION OF SUBJECTS — NOT SOVEREIGNS

I was in a supervisory position in a 24/7 oil-field service job. The company was pushing out older workers with early retirement. That didn't sit right with me — because I do not wait around to be somebody else's casualty.

For an entire year I searched for a business I could build myself. I chose landscape irrigation. It was November when I picked up a 300-page manual. I studied it like my life depended on it, self-taught every page.

By Super Bowl Sunday the following year I was in a supply-house class confirming I was ready. The next day, I walked into an auditorium of 300 test-takers.

The guy next to me said:

“Well, if you don't pass, at least you'll have the experience.”

I looked him dead in the eyes and told him:

“I didn't come here to NOT pass.”

He shut up immediately and never looked or talked to me again.

Nine hours later I finished.

Three hours later it was confirmed: I passed.

Two hours later I was on the road home.

The next day my first ad ran in the paper.

That business carried me for 30+ years.

I built it.

I excelled in it.

I sold it.

And after that, I retired —

well, ***semi-retired***, because for the last decade-plus I have put my mind into NOTHING but law, finance, and the machinery behind the system that has been robbing Americans blind.

I outworked it.

I outstudied it.

I outran it.

Because no one could explain to me why a man's property could be taken by fraud wrapped in “legal” procedure.

And that leads us to this platform —

UNFORECLOSABLE™ educational structure with DAY-1 HOMEOWNER PMA exists so homeowners

The Lie Doctrine: CREATION OF SUBJECTS — NOT SOVEREIGNS

never again watch their property stolen from them by a system that counts on their ignorance.

WHAT THIS PLATFORM IS — AND WHY I SHARE IT

I share this because there are people who want the truth but don't know where to find it.

I share it because I refuse to watch another American lose everything he owns simply because he was never taught how the machinery works.

But understand this:

***I do not want worshipers.*

I want workers.

I want thinkers.

I want Men and Women willing to learn.**

If a Member puts in the effort, the discipline, the study —
I will go out of my way to help them achieve the clarity they seek.

But no one gets carried.

No one gets dragged.

No one gets spoon-fed.

This platform is not built for the passive.
It is built for the determined.

But remember this:

I am not the guru.

I am not the savior.

I am simply the man who refused to let deception win —

and who now stands beside others who want to win their lives back.

WHAT THIS PROJECT DOES IS NOT MAGIC — IT IS RESTORATION

This platform liberates because it is built on truth —
truth uncovered by many minds over many years,
truth refined, integrated, and made coherent through one mind
that simply refused to quit searching.

The Lie Doctrine: CREATION OF SUBJECTS — NOT SOVEREIGNS

And now that truth is delivered to People
who are ready to reclaim the Rights and Property they own since Day-1.

UNFORECLOSABLE™ is the doorway — the invitation to step out of fear
and into understanding.

The **DAY-1 HOMEOWNER PMA** restores the Man —
his standing, his autonomy, his **PRIVATE** authority
that the system tried to bury under paperwork and presumption.

The **Property Reserve Private Irrevocable Trust (PRPIT)** protects the PMA itself —
the structure, the documents, the teachings,
the intellectual property that empowers Members.
It does not take control of anyone's home or estate.
It exists solely to safeguard the foundation of the platform,
not the private assets of its Members.

This educational platform restores the clarity
the system intentionally stole from every American —
clarity of mind, clarity of Rights, clarity of purpose.

And understand this clearly:

This is about *empowering you* —
building a lawful, private structure
strong enough to repair what the system tried to destroy inside every man and woman:
their confidence, their sovereignty, their understanding, their integrity.

I provide this because others, long before me, provided what *they* discovered.
I am simply one link in a chain of truth-seekers
stretching across decades.

And those who join, those who study, those who rise —
they will one day provide for someone else.

That is how truth stays alive.
It is handed forward.
Mind to mind.
Man to Man.
Generation to generation.

The Lie Doctrine: CREATION OF SUBJECTS — NOT SOVEREIGNS

Not through worship —
but through *self-reliance, courage, study, and the will to be free.*

PMA MEMBERS MUST UNDERSTAND THE ARCHITECTURE PRECISELY:

The **DAY-1 Homeowner PMA** is the Association; the **PRPIT** is the Owner; **UnForeclosable.com** is the Platform; and the Members are the *Beneficiary Class* operating wholly within the private domain under their inherent, unalienable Right of Association — a Right embedded in America's founding framework and never surrendered.

The Law Redeems

UNFORECLOSABLE™ is the entry site, the front door where homeowners first encounter the truth the system never wanted them to learn.

But **UNFORECLOSABLE™** is NOT the PMA.

The **DAY-1 HOMEOWNER PMA** is where restoration begins.

This is where the **PRIVATE Man** stands up again, steps out of the corporate machinery, and claims the **Day-1** status he was meant to walk in before the system manufactured a fiction in his name.

The **PMA** restores the Man because it removes him from statutory reach and returns him to **PRIVATE** association where his Rights are unassailable.

The **Property Reserve Private Irrevocable Trust (PRPIT)** does NOT absorb, claim, or control the Member's property. It is not a "*holding trust*" for homeownership and never will be.

The **PRPIT** exists for *one sacred purpose*: to hold and protect the **PMA** itself and the body of educational materials that empower Members to stand on their own two feet.

It holds the intellectual property, the teachings, the structural framework, the lawful foundation of the Association — NOT the Member's personal estate.

Your home stays yours.

Your land stays yours.

Your property stays yours.

The Lie Doctrine: CREATION OF SUBJECTS — NOT SOVEREIGNS

The PRPIT only holds what the system cannot be trusted with: the *knowledge base*, the *documents*, the *structure* that makes foreclosure prevention possible.

And then there is the educational platform — the reawakening of the mind after decades of deception, programming, and engineered confusion.

It restores the clarity the system intentionally stripped away so the Man can see, understand, and defend what is his with confidence, integrity, and unwavering certainty.

EPILOGUE:

THE FINAL COST OF THE LIE — WHEN THE PROGRAMMED MIND PREFERS DECEPTION OVER TRUTH

The most devastating effect of **The Lie Doctrine** isn't that people believe lies. It's that they become *comfortable* with them.

A mind trained on deception does not merely tolerate lies — it *depends* on them.

And this is the final stage of programming the system counts on: not just the acceptance of deceit, but the *emotional attachment* to it.

Because once a person becomes *comfortable* with the lie, truth no longer feels like truth. Truth feels like **an attack**.

And when truth feels like an attack, the mind shuts down, not because the truth is complex — but because the lie has become **home**.

This is the quiet psychological kill-shot the system administers over decades.

****TRUTH DOESN'T HURT THE PROGRAMMED MIND — IT THREATENS ITS SURVIVAL****

A child raised on small, normalized lies learns early that comfort is more important than clarity. That emotional ease is more important than factual reality.

That avoiding discomfort is safer than confronting truth.

Public school reinforces this every day:

The Lie Doctrine: CREATION OF SUBJECTS — NOT SOVEREIGNS

- **Don't** question *the narrative*.
- **Don't** disrupt *the classroom*.
- **Don't** think *independently*.
- **Don't** challenge *the group*.
- **Don't** expose *contradictions*.
- **Don't** make *authority uncomfortable*.

The child learns a deadly formula:

Truth = **danger**.

Compliance = *safety*.

By adulthood, this conditioning has been fully hard wired into an AUTOMATIC reflex.

When a programmed mind encounters truth that conflicts with its comfort, it reacts as if its very identity is under threat.

This is why so many people shut down when you show them:

- the *fraud*
- the *fiction*
- the *deception*
- the *banking lies*
- the *legal presumptions*
- the *jurisdictional tricks*
- the **machinery** *behind their own obedience*

This shutdown is not ignorance — it is **training**.

And the system trained them well.

THE BRAIN ADAPTS TO SURVIVE — EVEN IF SURVIVING MEANS BELIEVING LIES

Over years of repeated reinforcement, the nervous system forms a predictable pattern:

Truth that contradicts the conditioned worldview =
panic → **denial** → **shutdown**.

Lies that feel familiar, comfortable, or widely accepted =
relief → **acceptance** → **emotional stability**.

So, the adult will subconsciously choose the lie
even when their intuition, common sense, and logical mind *knows something is wrong*.

The Lie Doctrine: CREATION OF SUBJECTS — NOT SOVEREIGNS

This is not stupidity.

This is neuro-conditioning.

A lifetime of rewarded compliance rewires a person's emotional circuitry:

Truth becomes painful.

Lies become soothing.

And once deception becomes a comfort mechanism, truth feels like trauma.

That is how deep the programming goes.

****THE SYSTEM DOESN'T JUST TEACH LIES — IT TEACHES THE MIND TO NEED THEM****

This is why people defend the very institutions that enslave them.

Why they mock the truth-teller.

Why they cling to the narratives that destroyed their sovereignty.

They are not defending the institution —
they are defending the *emotional safety* that repetitive lies have systematically embedded in them.

Amazingly a man will fight harder for his comfort than for his freedom
if he was trained from childhood to equate discomfort with danger.

That is the final victory of **The Lie Doctrine**.

Not that people believe falsehoods.

But that they **cannot function normally without them**.

THE YEARS-LONG TRANSFORMATION: HOW THE SYSTEM BUILDS A MIND THAT FEARS TRUTH

The erosion is slow, methodical, predictable:

Year 1–7: Fantasy lies create cracks in the child's trust in their own perception.

Year 7–14: Public school reinforces obedience over comprehension, conformity over curiosity.

The Lie Doctrine: CREATION OF SUBJECTS — NOT SOVEREIGNS

Year 14–21: Social pressure criminalizes independent thought.
Mockery teaches the child to silence inner truth.

Year 21–35: Economic enslavement forces compliance “for survival.”
Fear cements the belief that truth is dangerous.

Year 35 and beyond: The adult becomes the enforcer of their own captivity.
They reject truth on instinct — not reason.

By then, **The Lie Doctrine** is complete.
The person you were supposed to become never had a chance to breathe.

THE PURPOSE OF THIS WORK — AND WHY YOU ARE HERE

This document exists because something inside you refused to die.

Despite:

- the childhood *conditioning*
- the public-school *programming*
- the cultural *indoctrination*
- the legal *fictions*
- the emotional *manipulation*
- the identity *theft*
- the trust *betrayal*
- the generational *deception*

...a spark in You remained.

A truth that would not stay buried.

A knowing that the world you inherited was not the world that was meant for you.

This work is not here to give you a new story to believe.

It is here to:

- **Deprogram the lie.**
- **Reignite the truth.**
- **Restore the sovereign mind the system purposely wants eliminated.**

The Lie Doctrine: CREATION OF SUBJECTS — NOT SOVEREIGNS

Because once you see **The Lie Doctrine** for what it is, you cannot unsee it.

And once you cannot unsee it, the system loses its power over you forever.

That is the real epilogue.

Not the end of the story — but the end of the spell.

And every step forward from here is the return of the Man who was never meant to be a subject.

But a sovereign in control of his very existence and his own future.

So, if you are ready to take those things back that the system attempted to program out of you then you're in good company, there's a growing community that are walking that very path who provide the support one must have and will walk with you here at Day-1 Homeowner PMA.

What the PMA Stands for in simple terms:

★ The Lie Doctrine Summation

The Day-1 Homeowner PMA stands as a sanctuary of restored standing, where every Member returns to the place the law has always held for them: the Origin, the Owner, the Authority. A place where, **clarity** replaces *confusion*, **evidence** replaces *assumption*, and **remedy** replaces *fear*. This *Private Members Association* exists to uphold the principles that were buried beneath commercial practice—*grounded not in fiction*, but in **the solemn truth of who you are** and **what your signature created**. In this space of *privacy*, *contract*, and *autonomy*, **Members can walk forward** with *certainty*, **protected by the foundation of law** with a strength, knowing You have the unalienable right of possession.

And at the core of this entire structure remain the three pillars that define its identity with a promise to each Member:
